

We realize the unprecedented times we are in, and the Tri-State Seminar, LLC Board of Managers is working hard behind the scenes to make decisions regarding the 2020 Tri-State Seminar. As of now, the TSS is scheduled to continue as planned, August 11 - 13, 2020. Due to the uncertainty with COVID-19 and federal, state, and local protocols, we have decided to delay all registration until at least May 15. Please check our website often for the latest details. Thank you for your patience, and stay safe!

Why Exhibit With Us?

The Tri-State Seminar, LLC takes pride in hosting the largest annual event for water and wastewater industry training west of the Mississippi. From its humble beginnings in 1984 with 75 attendees, the Tri-State Seminar continually draws attendees from water purveyors, agencies and manufacturers from the Western US and around the world!

Tri- State Seminar would not be what it is today without the continued support of our exhibiting vendors. Many of you have been exhibiting at the seminar since the beginning and the growth we've experienced is a true testament to the dedication of our vendors to the water and wastewater industry.
